

**Minutes of the Seaton Town Council Extraordinary Meeting  
on Monday 9th December 2019**

**Present**

**In the chair:** Cllr K Beer

**Councillors:** J Rowland, D Ledger, D Haggerty, H Sanham, M Shaw and A Singh

**Officers:** Town Clerk and Admin Assistant

**Public:** No members of the public present

**182. Apologies for absence**

The Council received and accepted apologies from Cllr Tony Antoniou, who had attended earlier in the evening, and Cllr Andrew Gwyn Davies.

**183.** Due to the fact that the preceding meeting of the Finance & General Purposes Committee had taken far longer than expected and, in light of the discussions at that earlier meeting, further work was required on the budget before full Council could finally agree it and set the precept, Cllr. Beer opened the meeting of full Council and immediately proposed that it be adjourned until 13 January 2019. This was agreed unanimously by all Members present.

Meeting closed at 21.15pm.
