Seaton Town Council

Staff Handbook – March 2020

Welcome to Seaton Town Council Staff Handbook

Our aim in producing this document is to create a one-stop information point where you are able to access all the information you are likely to need in relation to your employment with the Council. The Handbook and corresponding policy documents form part of your contract of employment with Seaton Town Council.

The document gives an overview of the terms and conditions of your employment, and outlines what you can expect from us as your employer. In return we ask you for a high degree of commitment, dedication and loyalty to help us achieve the aims and objectives of the Council.

I hope you find this a useful guide during your employment with us. However, if you are unable to find the answer to your question here, please feel free to contact your line manager who will be able to find an answer for you.

Cllr. Amrik Singh
Chairman
Personnel Committee*

*(*Note – where the Personnel Committee, or Chairman thereof, is referred to in this document, such reference will be taken to include any successor or replacement Committee which takes on some or all functions of the existing Personnel Committee. Furthermore, any delegation of the Personnel Committee or any successor can equally be exercised by a meeting of full Council).*

Your induction

Seaton Town Council believes its employees are its greatest asset and recognises its responsibility to ensure that they are afforded appropriate development throughout their employment.

Our aim is to support and develop employees in their role so that they feel confident to undertake the responsibilities placed upon them and ultimately are able to contribute to the success of the organisation.

Statement of Employment Terms and Conditions

As an employee of Seaton Town Council you will have received a document setting out specific terms and conditions of service as they relate to your post. This includes details of:

- the names of the employer and the employee;
- the date when the employment (and any period of continuous employment) began;
- remuneration and the intervals at which it is to be paid;
- hours of work;
- holiday entitlement;
- entitlement to sick leave, including any entitlement to sick pay;
- pensions and pension schemes;
- the entitlement of employer and employee to notice of termination;
- job title (or a brief job description);
- where it is not permanent, the period for which the employment is expected to continue or, if it is for a fixed term, the date when it is to end;
- the place of work.

Seaton Town Council reserves the right to change its terms and conditions and employment policies from time to time. You will be notified at the earliest opportunity of these changes by way of general notice to all employees affected by the change. Where a contractual change in your terms and conditions of employment results in a change to your written statement of particulars of employment, we will give you a written statement of the change at the earliest opportunity.

Probation Periods

All new staff are subject to a probationary period as stated in your contract of employment. Your appointment will be confirmed on satisfactory completion of the probationary period. During this probationary period you will be given appropriate support and development opportunity to help you reach the required standards. Extension of the probationary period may be granted to enable the required standards to be achieved, but failure to do so could result in termination of your employment.

Your Attendance at Work

Seaton Town Council values good attendance at work and is committed to improving the general wellbeing of its employees to achieve this. Although we aim to secure regular attendance, we do not expect employees to attend when they are unwell.

Notification of Absence

Your line manager, or in their absence, Chairman of Personnel, should be notified if you are unable to attend work due to sickness or injury, preferably by telephone before your normal start time or as soon thereafter as possible on the first day of absence, if possible indicating a date of return. During prolonged periods of absence, your line manager, or in their absence, Chairman of Personnel should be kept informed of progress and an expected date

of return. Any employee who has been absent due to sickness and is found not to have been genuinely ill will be subject to disciplinary action, which could include dismissal.

Council Sickness Payments

Payment of Sick Pay will be paid in accordance with the Council's Sickness & Absence Management Policy. From your first day of absence you will be required to complete a self-certification form available through your line manager on your return; if greater than 7 days you will require a statement of fitness for work from your G.P.

Statutory Sick Pay (SSP)

Most employees have a right to statutory sick pay (SSP) as long as they earn more than the lower earnings level and are not over state retirement age. SSP is not however payable for the first three qualifying days of absence. (A qualifying day is a day on which you are normally expected to work under your contract of employment).

Sick pay will be paid in accordance with the terms set out in your contract of employment.

Seaton Town Council reserves the right to refuse to pay sick pay if it has reasonable cause to think that an employee is not genuinely sick, if it has cause to believe that an employee is abusing the sick pay scheme, if an employee has failed to comply with the notification requirements, or has not supplied the appropriate certification. If the sick pay scheme has been abused, disciplinary action may follow.

Payments of sick pay may be terminated, suspended or reduced if an employee fails to notify the Council of relevant facts, or if their absence or continued absence is due to their taking an unwarranted risk (in or out of work), conducting themselves in a way that prejudices their recovery, abusing alcohol or drugs or other substances, or recklessly endangering the health and safety at work of themselves and others

Hours of Work

Your normal hours and working pattern will be specified in your Statement of Terms and Conditions of Employment.

The full-time contracted hours for all posts within the organisation are 37 hours per week excluding daily meal breaks. A daily unpaid lunch break of a minimum of 30 minutes must be taken if you work more than six hours daily.

Seaton Town Council reserves the right to vary your hours and pattern of working, following consultation and agreement with you.

Persistent poor timekeeping means that colleagues are put under pressure to cover your duties. This is not acceptable and will therefore be treated as a potential disciplinary offence under our disciplinary procedures

Flexible Working

Seaton Town Council has a policy of trying to assist staff with their work life balance and is therefore willing to consider requests from staff to vary their working hours or work pattern. Such requests will be considered taking into account the impact on the organisation, work colleagues and any other relevant factors. Should you wish to discuss this you should speak to your line manager/chairman of Personnel.

Staff with children under the age of six, or under eighteen if the child receives Disability Living Allowance, have a statutory right to request flexible working and Seaton Town Council has a duty to seriously consider this request.

Conflict of Interest

You should not, directly or indirectly, engage in, or have any interest, financial or otherwise, in any other business enterprise which interferes with, or is likely to interfere with, your independent exercise of judgement in Seaton Town Council's best interests.

Generally a conflict of interests exists when an employee is involved in an activity:

- which provides products or services directly to, or purchases products or services from, Seaton Town Council;
- which subjects the employee to unreasonable time demands that prevent the employee from devoting proper attention to his or her responsibilities to Seaton Town Council;
- which operates so that the employee's involvement with the outside business activity will reflect adversely on Seaton Town Council.

Should you be in doubt as to whether an activity involves a conflict, you should discuss the situation with your line manager, or in their absence, the Chairman of Personnel.

Standards of Performance and Behaviour at Work

When working in an office environment you **MUST** keep in mind that your work desk is kept clean, tidy, secure and looks professional. Paper documents when not in use must be kept in the filing cabinet. This shows a professional working environment that is both secure with regards to sensitive information and tidy whilst you are working. At the end of your shift your working desk should be cleared of all documents and ready for the next employee to work from. The following guidelines are to help further understand this policy:

PLEASE ALWAYS

- * Keep your personal mobile use to a minimum and ring tone to a minimum.
- * Because the general public visits our offices, be aware of what sensitive documents are open on your desk.
- * Always keep your desk neat and tidy, to show a high level of professionalism and to promote security at work.
- * Keep all your personal possessions secure in your bag and out of sight.
- * Keep friends / family visits to a minimum at the Marshlands Office.
- * You must remove printed materials from the printer or photocopier immediately for confidential reasons, so others cannot read.
- * Lock filing cabinets at the end of the day.
- * Secure keys to safes and filing cabinets in a locked draw or other.
- * Sensitive documents no longer required **MUST** be shredded asap.

PLEASE DON'T

- * Don't leave passwords to PCs and emails unsecured and left open for reading.

Appearance

Seaton Town Council does not seek to inhibit individual choice in relation to staffs' appearance. However, you are expected to dress appropriately at all times in relation to your role, and to ensure that your personal hygiene and grooming are properly attended to prior to presenting yourself at work. If you have any queries about what is appropriate, these should be directed to your line manager.

Council Premises

You must not remove Seaton Town Council property from the Council's premises unless prior authority from your line manager/chairman of Personnel has been given.

Personal Property

Any personal property such as jewellery, cash, credit cards, clothes, cars, motorbikes or bicycles etc. left on Council premises is done so entirely at your own risk. You are strongly advised not to leave any valuables unattended, either on our premises or in your own vehicle. Seaton Town Council does not accept liability for loss or damage to any personal property whatsoever.

Telephones & Correspondence

Council telephone / mobile phone or postal facilities must not be used for private purposes without prior permission from your line manager/Chairman of Personnel. If for any reason personal use is made of these items then arrangements must be made to pay the cost price of all services used. Abuse of these facilities will be considered a potential disciplinary matter.

Smoking and Other Substances at Work

Legislation now exists which makes it illegal to smoke in enclosed public spaces. Smoking is therefore strictly prohibited on all Council premises.

Bringing alcohol or any unlawful drugs to the workplace, and / or imbibing them there is strictly prohibited both during work time or during a period prior to work where the effects carry over to the workplace. Any such instances will be dealt with under the disciplinary procedure and may lead to your summary dismissal.

Confidentiality

It is a condition of your employment that you have a duty of confidentiality to Seaton Town Council.

During the course of your employment you may find yourself in possession of sensitive information, the disclosure of which could be construed as a breach of confidentiality. You must not discuss any Council sensitive or confidential matter whatsoever with any individual or outside organization, including the media.

Any such breach of confidentiality would be deemed as gross misconduct except as otherwise provided or as permitted by any current legislation (e.g. the UK Public Interest Disclosure Act 1998) and could lead to your dismissal.

After you have left the Council you must not use or divulge to any person or organization any confidential information relating to the business of Seaton Town Council. All STC correspondence that you have in your possession off-site must be returned by the last day of employment.

Computer, email and internet use

If you have access to the Council's computers, including email and access to the internet as part of your job, you must not abuse this by using these facilities for purposes unrelated to Council business. Computers are regularly monitored. The use of memory sticks or external drives is strictly prohibited without the express permission of your line manager or chairman of Personnel.

Limited personal use of the internet is permitted during your formal breaks. All internet use is monitored and accessing pornographic or other unsuitable material, including auction or certain social networking sites, is strictly prohibited and would be considered a serious disciplinary offence which may result in dismissal.

Only software packages properly licensed, authorised and installed by the Council may be used on Council equipment. You must therefore not load any unauthorised software onto Council computers.

If you have a Council email address, this is provided for responsible and professional use on Council business only and should not be used in any other way whatsoever. You are not permitted to receive or send any Council information or communications to or from your personal email address.

All passwords to Council computers are to be advised to the Clerk, chairman of the Council and chairman of Personnel only.

Receipt of Gifts

Your working relationships may bring you into contact with outside organisations where it is normal business practice or social convention to offer hospitality, and sometimes gifts. Offers of this kind to you or your family can place you in a difficult position. No employee or any member of his or her immediate family should accept from a supplier, customer or other person doing business with Seaton Town Council, payments of money under any circumstances, or special considerations, such as discounts or gifts of materials, equipment, services, facilities or anything else of value unless:

- they are in each instance of a very minor nature usually associated with accepted business practice;
- they do not improperly interfere with your independence of judgement or action in the performance of your employment.

In every circumstance, where a gift is offered, the advice of your line manager must be sought.

Bribery and other Corrupt Behaviour

Seaton Town Council has a strict anti-bribery and corruption policy in line with the Bribery Act (2010). A bribe is defined as: giving someone a financial or other advantage to encourage that person to perform their functions or activities improperly or to reward that person for having already done so.

If you bribe (or attempt to bribe) another person, intending either to obtain or retain business for the Council, or to obtain or retain an advantage in the conduct of the Council's business. this will be considered gross misconduct. Similarly, accepting or allowing another person to accept a bribe will be considered gross misconduct. In these circumstances you will be subject to formal investigation under the Council's disciplinary procedures, and disciplinary action up to and including dismissal may be applied.

Staff are expected to recognise that they are representatives of Seaton Town Council and should therefore behave in a positive and professional way at all times. Also, that they are expected to promote the work of the Council in a positive way including ensuring that the public areas of the Council offices are kept in good order - refer to Standard Expected of All Staff in Contract of Employment.

Disciplinary Procedure

1.0 Purpose and scope

- 1.1 This procedure is designed to help and encourage all employees to achieve and maintain acceptable standards of conduct, attendance and job performance. This procedure applies to all employees except where it conflicts with a contractual or

statutory requirement, which takes precedence. The aim is to ensure consistent and fair treatment for all in the Council.

2.0 Principles

- 2.1 The procedure is not a substitute for good management practices and should only be invoked when initial attempts to improve conduct have been made following discussions between the employee and Town Clerk. Where there has been gross misconduct or serious breach of disciplinary rules, however, the formal procedure should be actioned immediately.
- 2.2 No disciplinary action will be taken against an employee until the circumstances have been fully investigated.
- 2.3 The employee will be advised of the nature of the complaint against him or her and will be given the opportunity to state his or her case before any decision is made at a disciplinary meeting.
- 2.4 Employees will be provided, where appropriate, with written copies of evidence and relevant witness statements in advance of a disciplinary meeting.
- 2.5 At all stages of the procedure the employee will have the right to be accompanied by a trade union representative or work colleague.
- 2.6 No employee will be dismissed for a first breach of discipline except in the case of gross misconduct when the penalty will be dismissal without notice or payment in lieu of notice.
- 2.7 An employee will have the right to appeal against any disciplinary action.
- 2.8 The procedure may be implemented at any stage if the employee's alleged misconduct warrants this.

3.0 Roles & Responsibilities

- 3.1 Normally the Town Clerk will consider minor disciplinary issues which may result in a verbal warning which, if issued, will be noted on the employee's personnel file and retained for six months. If the Town Clerk cannot resolve the issue the matter will become subject to the formal procedure.
- 3.2 All other disciplinary issues involving the formal procedure will immediately be referred to the Council's Personnel Committee who will then be responsible for nominating an Investigating Officer who would normally be a member of the Personnel Committee. The Personnel Committee will be responsible for appointing a disciplinary hearing panel.
- 3.3 The Investigating Officer who carries out an investigation should not participate in any subsequent decision to take action under the procedure. Likewise, the Disciplinary Panel hearing the case should not be involved in the investigation beforehand. It is important that respective roles are identified at an early stage so that those roles are not compromised.
- 3.4 Only the Council's Personnel Committee has the right to suspend or dismiss an employee.

4.0 The Formal Procedure

4.1 First written warning

A first written warning may either be for unsatisfactory performance if performance does not

meet acceptable standards, or for misconduct if conduct does not meet acceptable standards. This will set out the performance/conduct issue, the improvement that is required, the timescale, any help that may be given, and the right of appeal. The individual will be advised that it constitutes the first stage of the formal procedure. A record of the first written warning will be kept for six months but will then be considered spent, subject to achieving and sustaining satisfactory performance and/or conduct. The warning will also inform the employee that a final written warning may be considered if there is no sustained satisfactory improvement or change. A record of the warning will be kept but it will be disregarded for disciplinary purposes after six months.

4.2 Final warning

If the offence is sufficiently serious, or if there is further misconduct or a failure to improve performance during the currency of a prior warning, a final written warning may be given to the employee. This will give details of the performance issue/misconduct, the improvement required and the timescale. It will also warn that failure to improve may lead to dismissal and will refer to the right of appeal. A copy of this written warning will be kept on the employee's personnel file but will be disregarded for disciplinary purposes after 12 months subject to achieving and sustaining satisfactory conduct or performance.

4.3 Employment Dismissal

If there is still further misconduct or failure to improve performance, the final step in the procedure may be dismissal. Dismissal decisions can only be taken by the Council's Personnel Committee and the employee will be provided in writing with reasons for dismissal, the date on which the employment will terminate, and the right of appeal.

5.1 Gross misconduct

The following list provides some examples of offences, which are normally regarded as gross misconduct:

- theft or fraud
- physical violence or bullying
- deliberate and serious damage to property
- serious misuse of an organisation's property or name
- deliberately accessing internet containing pornographic, offensive or obscene material
- serious misuse of social media
- serious insubordination
- unlawful discrimination or harassment
- bringing the organisation into serious disrepute
- serious incapability at work brought on by alcohol or illegal drugs
- causing loss, damage or injury through serious negligence
- a serious breach of health and safety rules
- a serious breach of confidence

5.2 If you are accused of an act of gross misconduct you may be suspended from work on full pay, normally for no more than ten working days, while the alleged offence is investigated. If, on completion of the investigation and the full disciplinary procedure, the Town Council is satisfied that gross misconduct has occurred, the result will normally be summary dismissal without notice or payment in lieu of notice.

6.0 Appeals

6.1 An employee who wishes to appeal against a disciplinary decision must do so, in writing, within ten working days

6.2 The employee will be invited to an appeal meeting within ten working days and the

appeal will be heard by an Appeals Sub-Committee. At the appeal any disciplinary penalty imposed will be reviewed.

Grievance Procedure

1.0 Introduction

- 1.1 The Council recognises that individual employees may from time to time feel aggrieved about an aspect of their employment. Furthermore, it accepts that each employee has the right to raise a grievance and to expect their line manager to consider it and respond.
- 1.2 The purpose of this procedure is to provide a framework for dealing promptly and fairly with such grievances. The aim is to resolve grievances as near as possible to their point of origin.
- 1.3 Matters appropriately dealt with under the Council's Grievance Procedure include all questions relating to the individual rights of employees in respect of their employment other than:
 - Grievances that have already been considered in accordance with the procedure;
 - Grievances arising from a disciplinary or capability process in which the employee is already involved and where there is an appeals procedure in place;
 - Grievances in respect of issues over which the Council has no control. e.g. external legislation.
- 1.4 The timescales shown in this procedure may be altered by mutual agreement.
- 1.5 The nature and number of grievances raised in accordance with this procedure will be monitored annually by the Town Clerk.
- 1.6 This policy and the following procedure will be the subject to periodic review. Responsibility for conducting this review will rest with the Personnel Committee

2.0 Dealing with grievances informally

- 2.1 If you have a grievance or complaint to do with your work or the people you work with you should, wherever possible, start by talking it over with the Town Clerk. You may be able to agree a solution informally between you.
- 2.2 Where your grievance is against the Town Clerk and you feel unable to approach him or her you should talk to the Chairman of Personnel.

3.0 Formal grievance

- 3.1 If you are not satisfied with the result of the informal process or, if the matter is serious and you wish to raise it formally, you should set out the grievance in writing to the Town Clerk, who will refer the matter to the Personnel Committee. You should keep to the facts and avoid language that is insulting or abusive.
- 3.2 If the grievance is against the Town Clerk, the grievance should be submitted in writing directly to the Chairman of the Personnel Committee.

4.0 Grievance hearing

- 4.1 The Personnel Committee shall, as soon as possible, and in any case within ten working days, arrange a meeting to discuss your grievance. You have the right to be accompanied by a work colleague or trade union representative at this meeting if you make a reasonable request.

4.2 As soon as possible after this meeting and in any event within five working days, the Chairman of the Personnel Committee shall confirm the Personnel Committee's decision on the grievance in writing to you.

4.3 If the Personnel Committee determines that further investigation is required having listened to your submission, the meeting will be adjourned for a period not exceeding ten working days to facilitate this.

5.0 Appeal

5.1 If you are unhappy with the Personnel Committee's decision and you wish to appeal you should let the Chairman/Vice Chairman of the Council know, in writing, within ten working days of receipt of the decision.

5.2 You will be invited to an appeal meeting within ten working days and your appeal will be heard by an Appeals Committee. You have the right to be accompanied by a colleague or trade union representative at this meeting if you make a reasonable request.

5.3 After the meeting and, in any event within five working days, the Chairman/Deputy of the Council on behalf of the Appeals Sub-Committee will give you a decision. The Appeal Committee's decision is final.

Valuing Diversity

Statement

Seaton Town Council is committed to valuing diversity and seeks to provide all staff with the opportunity for employment, career and personal development on the basis of ability, qualifications and suitability for the work as well as their potential to be developed into the job. We believe that people from different backgrounds can bring fresh ideas, thinking and approaches which make the way work is undertaken more effective and efficient.

Seaton Town Council will not tolerate direct or indirect discrimination against any person on grounds of age, disability, gender / gender reassignment, marriage / civil partnership, pregnancy / maternity, race, religion or belief, sex, or sexual orientation whether in the field of recruitment, terms and conditions of employment, career progression, training, transfer or dismissal.

It is also the responsibility of all staff in their daily actions, decisions and behaviour to endeavor to promote these concepts, to comply with all relevant legislation and to ensure that they do not discriminate against colleagues, customers, suppliers or any other person associated with the Council.

Key Actions

In adopting these principles Seaton Town Council:

- Fully recognises its legal obligations under all relevant legislation and codes of practice;

Dignity at Work

Statement

The Council believes that the working environment should at all times be supportive of the dignity and respect of individuals. If a complaint of harassment is brought to the attention of the Council, it will be investigated promptly, and appropriate action will be taken.

What is Harassment

Harassment can be defined as conduct which is unwanted and offensive and affects the dignity of an individual or group of individuals.

Sexual harassment is defined as “unwanted conduct of a sexual nature, or other conduct based on sex, affecting the dignity of women and men at work”. This can include unwelcome physical, verbal or non-verbal conduct.

People can be subject to harassment on a wide variety of grounds including:

- race, ethnic origin, nationality or skin colour
- sex or sexual orientation
- religious or political convictions
- willingness to challenge harassment, leading to victimisation
- disabilities, sensory impairments or learning difficulties
- status as ex-offenders
- age
- real or suspected infection with a blood borne virus (eg AIDS/HIV)
- membership of a trade union or activities associated with membership

Forms may include:

- physical contact ranging from touching to serious assault
- verbal and written harassment through jokes, offensive language, gossip and slander, sectarian songs, letters and so on
- visual display of posters, graffiti, obscene gestures, flags and emblems

You should also keep a written record detailing the incidents of harassment and any requests made to the harasser to stop. This written record should be made as soon as possible after the events giving rise to concern and should include dates, times, places and the circumstances of what happened.

<http://www.inlandrevenue.gov.uk/menus/officesmenu.htm>

Pension Scheme

You are eligible to join the Local Government Pension Scheme.

Leave Arrangements

Annual Leave

Holidays must be agreed with your line manager as early as possible. The Council will, where possible, try to accommodate individual preferences for holiday dates but the needs of the business may have to take precedence, particularly where short or inadequate notice is given.

- The holiday year runs from 1 April – 31 March each year
- Your holiday entitlement is as per your Contract of Employment
- Untaken leave may not be carried over from one year to the next
- Leave for employees joining after the start of the leave year accrues at the rate of one twelfth of the annual entitlement for each complete calendar month of service
- Leave for employees who terminate their employment during the leave year is calculated on the same basis. If, however, the annual leave entitlement has been exceeded, a deduction calculated on the same basis will be deducted from the final salary payment.
- Holiday pay in lieu of accrued leave will be paid only on termination of employment.

Bereavement

Seaton Town Council acknowledges the personal nature of bereavement and grief and is committed to supporting employees in practical and reasonable ways. Seaton Town Council recognises that when a close family member dies, employees will need time off for making funeral arrangements, attending the funeral and burial, paying respects to the family at a wake or visitation, dealing with the deceased's possessions and will, and any ancillary matters that employees must address.

When a death occurs in an employee's immediate family, all regular full-time employees may take up to three 3 days off with pay to attend the funeral or make

funeral arrangements. The pay for time off will be pro-rated for part-time employees if the funeral occurs on a scheduled workday. In unusual circumstances it may be necessary to require verification of the need for the bereavement leave.

An immediate relative includes a spouse, civil partner or partner (including same sex partners),* child,** parent, step-parent, mother/father-in-law, grandparents, grandchildren, son/daughter-in-law, sibling or a person with whom the employee is in a relationship of domestic dependency.

*Partner includes someone with whom the employee is co-habiting but is not the employee's spouse or civil partner.

**Child includes children in respect of whom the employee is the adoptive parent and legal guardians and carers.

An employee should notify their line manager of their need to take leave as soon as possible or, at latest, on the first day of absence. In exceptional circumstances applications for leave will be considered after the first day of absence. The Chairman of the Council and Chairman of the Personnel Committee have the right to exercise discretion in exceptional circumstances as outlined above. Leave days do not have to be taken consecutively.

Annual leave

In the event of a bereavement an employee will be able to take unpaid leave or annual leave at short notice to supplement their bereavement leave. Requests should be directed to your line manager.

Unpaid leave

Unpaid leave on compassionate grounds up to a maximum of 3 days may be granted after bereavement. An employee must consult with their line manager before starting unpaid leave.

Return to work

In certain circumstances a full return to work may not be possible for an employee following the death of an immediate relative, for example when the employee's grief is likely to impact on their ability to perform their role, or where new child care arrangements have to be sourced, or responsibility for the care of an elderly parent has transferred to the employee.

Whistleblowing

Introduction

Seaton Town Council is committed to the highest standards of openness, probity and accountability.

An important aspect of accountability and transparency is a mechanism to enable staff and other members of the Council to voice concerns in a responsible and effective manner. It is a fundamental term of every contract of employment that an employee will faithfully serve his or her employer and not disclose confidential information about the employer's affairs. Nevertheless, where an individual discovers information which they believe shows serious malpractice or wrongdoing within the organisation then this information should be disclosed internally without fear of reprisal, and there should be arrangements to enable this to be

done independently of line management (although in relatively minor instances the line manager would be the appropriate person to be told).

The Public Interest Disclosure Act, which came into effect in 1999, gives legal protection to employees against being dismissed or penalised by their employers as a result of publicly disclosing certain serious concerns. Seaton Town Council has endorsed the provisions set out below so as to ensure that no members of staff should feel at a disadvantage in raising legitimate concerns.

It should be emphasised that this policy is intended to assist individuals who believe they have discovered malpractice or impropriety. It is not designed to question financial or business decisions taken by the Council nor should it be used to reconsider any matters which have already been addressed under harassment, complaint, disciplinary or other procedures. Once the "whistleblowing" procedures are in place, it is reasonable to expect staff to use them rather than air their complaints outside the Council.

Jury Service

Jury service is a public duty. Unless someone is disqualified, has the right to be excused or has a valid reason for discretionary excusal then they must serve.

If you have been called up for jury service, you should:

- keep your line manager/chairman of Personnel informed as to the likely time you will be on duty;
- hand over a copy of the Confirmation of Jury Service letter you receive from the court to your employer.

You will receive remuneration from the Jury Service, and the Council will make up the difference to your full salary.

Health and Safety

Introduction

Seaton Town Council recognises and accepts its responsibility as an employer to maintain, so far as is reasonably practicable, the safety and health of its employees, and of other persons who may be affected by its activities.

It is your duty as an employee not to put either yourself or others at risk by your acts or omissions. You should also ensure that you are familiar with the Council's health and safety arrangements. Should you feel concern over any health and safety aspects of your work, this should be brought to the attention of your line manager immediately.

Procedure in the event of an accident

An Accident Book is available from your line manager and it is the responsibility of each individual employee to report and record any accident involving personal injury. Any accident or near miss occurrence (i.e. no one was injured but the incident had the potential to injure or kill) at work should be reported immediately to your line manager/chairman of Personnel.

All employees who are absent from work following an accident must complete a self-certification form which clearly states the nature and cause of the injury.

For any employee who suffers an injury at work which results in their being away from work or unable to do their normal work for three days or more (including weekends, rest days or holidays), it is important that their manager is informed as the Health and Safety Executive also need to be informed by the Council. Form 2508 (available from www.riddor.gov.uk/f2508.dot) should be completed in conjunction with your line manager. Employees are not expected to complete these forms themselves.

First Aid

The Council believes that best practice is to ensure that staff have access to a trained First Aider or Appointed Person (someone who can take charge in the event of an accident). Details of these trained staff are available from your line manager and you should familiarise yourself with their names and contact details.

Fire Safety

Employees should follow these steps to help prevent fires:

- Before you use any electrical appliances, carry out a quick check to make sure that the cables, plugs etc are not damaged.
- Do not use any electrical equipment that shows signs of damage, even if you think it is only minor. Report any faults you find to your line manager/chairman of Personnel and find an alternative appliance
- Ensure that you place your rubbish in the proper waste bins. Do not overfill the bins and ensure that your waste bin is accessible to the cleaners
- Fire alarm testing will take place every Monday morning at 10.00am
- Fire drill will take place monthly
- The nominated Fire Warden is the Clerk to the Council

Employees should follow the procedures displayed on the sounding of the fire alarm.

Personal Safety

Generally you should try to avoid working alone whenever this is possible. However, if you have to work alone then you need to develop an awareness of the risks and how to minimise them.

Prior to making an appointment with someone you do not know, obtain as much information as possible about the person you are meeting and arrange to meet the person in Council premises. Always ring back the telephone number you have been given to confirm that it is legitimate. If a mobile number is given you should always ask for an alternative fixed line number.

If visiting, let your colleagues know where you are going, with whom and what time you are expecting to return. If you think that you are going to run over your original timescales, let your colleagues know.

If you are at all concerned that you are being placed in a dangerous situation through your employment, you must discuss this with your line manager.

Training and Development

The Council aims to provide training opportunities which will provide:

- An induction programme which all staff will be required to undertake and will assist staff settling into their new role/job
- A progressive training and development scheme to enable staff to develop relevant skills and acquire knowledge to underpin their current role and career aspirations.

All training is to be approved by the Personnel Committee.

Leaving Seaton Town Council

Notice Periods

Terms of notice are as stated in your contract of employment.

Working Notice

In all cases the Council reserves the right to enforce your full notice period. Your full remaining annual leave entitlement should be taken during your notice period in agreement with your line manager, or in their absence, the Chairman of Personnel. Exceptionally, if this is not possible, the Personnel committee may consider making a payment in lieu of this.

If you resign and are in possession of Council property (including computer files), you should make your line manager/chairman of Personnel aware of these and arrange how they will be handed back to the Council. You remain bound by the confidentiality arrangements outlined in your contract of employment during this period.

In exceptional circumstances, if deemed appropriate and as an alternative to working your notice, the Council reserves the right to require you to accept payment in lieu of any entitlement to notice.

Other Conditions on Leaving

On leaving, the Council will deduct from any money due to you such sums as you may owe to the Council.

If you leave without giving notice and without the Council's agreement, you are in breach of your contract and you may forfeit some or all of any salary due to you.

Before leaving, you must hand over to your manager all articles belonging to Seaton Town Council including your ID badge and any documents, equipment and computer software used at home. Documents and software include (but are not limited to) correspondence, diaries, address books, databases, files, reports, plans, records or any other medium for storing information and any intellectual property that you have produced whilst being employed by Seaton Town Council. You should not retain any copies, drafts, reproductions, extracts or summaries of documents and software.

After you have left the Council you must not:

- solicit or seek to entice away any Council staff
- use or divulge to any person or organisation any confidential information relating to the business of Seaton Town Council

Should your employment be terminated following disciplinary action it is likely you will receive payment in lieu of notice. However, as there are numerous reasons as to why someone is dismissed, payment in lieu of notice will be reviewed on an individual basis taking into consideration the reasons behind the dismissal.

Should you be dismissed for reasons of gross misconduct, your employment will be terminated immediately without the benefit of notice or payment in lieu of notice.

Retirement

In line with current legislation Seaton Town Council does not have an age where it expects employees to retire. It is however our policy to have regular workplace /appraisal discussions with all our staff where they can discuss performance and any development needs they may have, as well as their future aims and aspirations. Staff and their line manager can also use this opportunity to discuss retirement planning should the employee wish to do so.

You should ensure that you inform the chairman of Personnel at least 6 months before you plan to retire to ensure all appropriate arrangements are made (e.g. sourcing a replacement, mobilising your pension, etc.).
