51. District Council Members

It was formally noted that the participation of those Councillors, who are also members of the East Devon District Council, in both the debate and the subsequent vote is on the basis that the views expressed are preliminary views taking account of the information presently made available to the Town Council. The District Councillors reserve their final views on the application until they are in full possession of all the relevant arguments for and against.

52. Public Question Time (PQT)

No members of the public were present.

Applications for consideration:

53. 20/2388/FUL

Mrs April Couper

7 Starre Close, Seaton EX12 2LT

Construction of single storey side and rear wrap around extension;
replacing front door and window with 2 no. bay windows.

The Committee **RESOLVED** to propose no objection to the application.
(moved Cllr Hartnell; seconded Cllr Beer)

54. 20/2528/FUL

Lisa Waddilove

31 Churston Rise, Seaton EX12 2JE

Construction of single storey side extension, porch, raised patio and roof extensions to provide 1st floor accommodation including side rooflights.

Discussion took place around:

- Members felt the application, if approved, would double the size of the property and would be the only two storey dwelling in a road of bungalows.
- Members thought this application would significantly increase the size and profile of the property.
- Members thought there was the potential for overlooking into the main rooms of the neighbouring property from the two Velux windows in the roof of the first floor extension.

The Committee **RESOLVED** to object to the application on the grounds of:

- Loss of privacy as the Velux windows in the roof of the first floor extension would look directly into the main rooms of the neighbouring property and would dramatically alter the outlook from the neighbouring property to its detriment.
- The proposal was over-bearing, out-of-scale and out of character in terms of its appearance compared with existing development in the vicinity.
- Visual impact of the development and effect of the development on the character of the neighbourhood

(moved Cllr Macaskill; seconded Cllr Beer)
