

**ORD2106407: Drainage and resurfacing works**  
**A3052 Trow Hill: Road from Village End to Stevens Cross, Sidmouth**

Thursday 7<sup>th</sup> December 2023

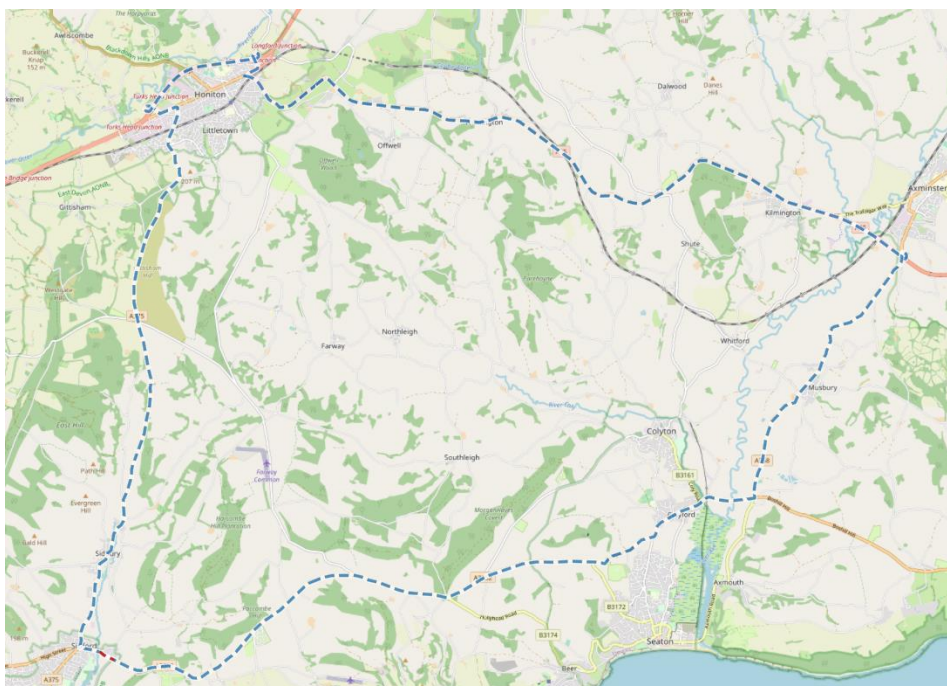

Devon Highways will be carrying out drainage and resurfacing works on the road from Village End to Stevens Cross, Sidmouth, between Tuesday 2<sup>nd</sup> January – Friday 8<sup>th</sup> March 2024.

Our programme for the delivery of works is as follows:

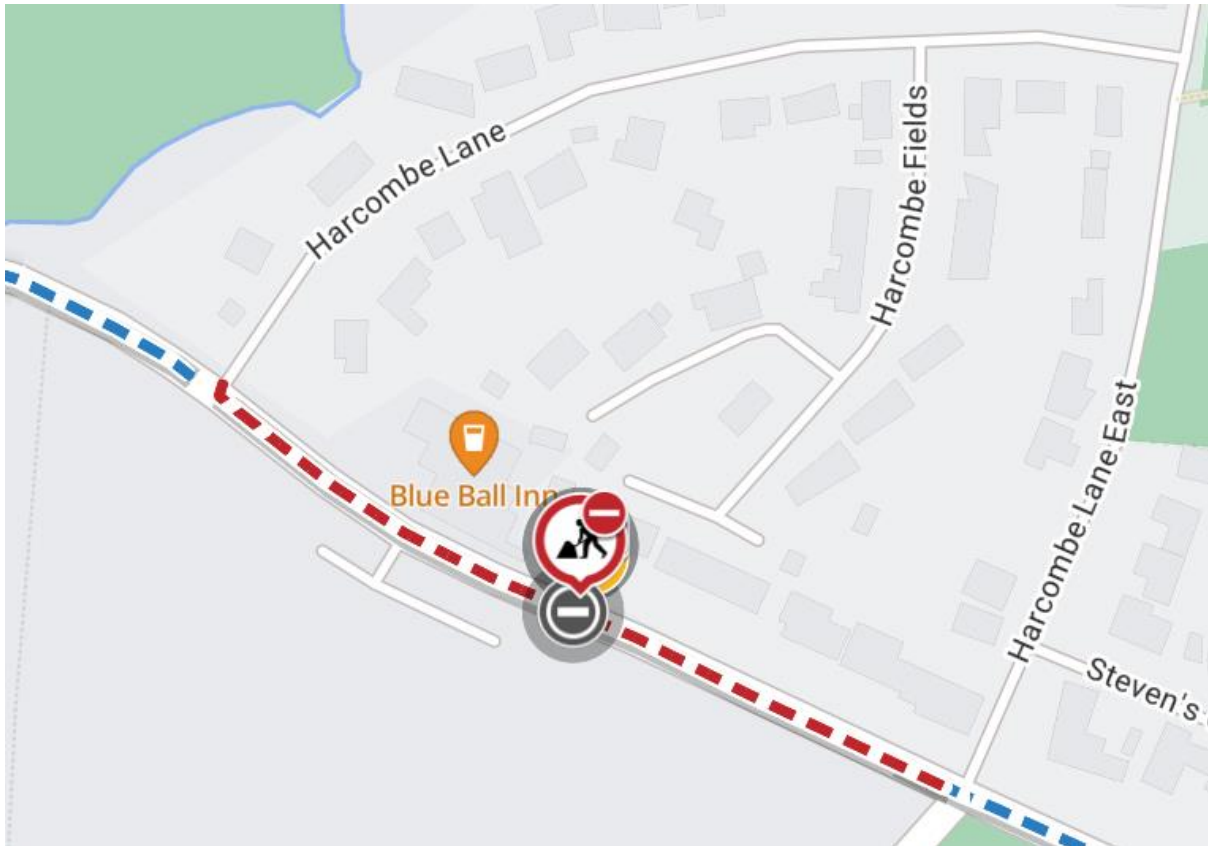

- Tuesday 2<sup>nd</sup> January: Cleaning; Basic traffic management on the day
- Monday 15<sup>th</sup> January – Friday 9<sup>th</sup> February: daytime Drainage works; Traffic management via 2 way lights
- Monday 19<sup>th</sup> and Tuesday 20<sup>th</sup> February: overnight Resurfacing works; Road closure 19.00 – 07.00
- Friday 8<sup>th</sup> March 2024: Lining; Basic traffic management on the day

Drainage works will be undertaken using 2 way lights for traffic management, however, due to the nature of the overnight resurfacing works a road closure is required and the diversionary route for traffic will signposted and advance signs will also be placed on the Highway. Emergency access will be maintained. Drivers with local knowledge will be able to use alternative side roads but these will not be publicly advertised for safety.

Please see stretch of road where we will be working highlighted in red on the map below, the signed diversion route during the overnight road closures is shown on the map in blue.

A closer image of the works site is shown on the map below:

Our contractor will be doing a letter drop to residents to provide them with details of the works.

We apologise in advance for any inconvenience caused, including noise. We will endeavour to keep all disruption to a minimum. Should you have any questions please contact us and we will do our best to try to help.
