STATEMENT OF INTERNAL CONTROL

1. Scope of Responsibility

Seaton Town Council ('the Council') is a local authority funded predominantly by public money, via the precept. It is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded, properly accounted for, and used economically, efficiently and effectively. In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk. The Council is required, by regulation 6.1 of the Accounts and Audit Regulations 2015, to review each financial year the effectiveness of its system of financial control.

2. The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place at the Council for the year ending 31 March 2024 and accords with proper practises.

3. The Internal Control Environment

The Council

- The Council has adopted Financial Regulations which set parameters for the Council's financial operations.
- The Council has elected a Chairman who is responsible for the efficient running of meetings and for ensuring that all Council decisions are lawful, and in accordance with its Standing Orders.
- The Council meets at least ten times per year to monitor and review its obligations, aims and objectives, and receive reports from the Town Clerk/Responsible Financial Officer, committees and members of the Council.
- The Council has appointed committees who monitor progress against objectives
- The Finance and General Purposes Committee monitors financial systems and procedures, budgetary control and regularly reviews financial matters.
- The Council met in December 2023 and approved the budget and precept for the following year 2024/25.
- The Council carries out regular reviews of its internal controls, systems and procedures.
- Payroll is processed by the East Devon District Council as external payroll provider using payroll software and checked by the Responsible Finance Officer.
- Day to day banking services are provided by Lloyds Bank.

- Interest/income generating deposits are held with Lloyds Bank and the Public Sector Deposit Fund managed by CCLA.
- The Council uses a computerised accounting system Rialtas Omega to complete the management accounts and financial returns for the Council.

Town Clerk/Responsible Financial Officer

The Council has appointed a Town Clerk who acts as the Council's advisor and manager and also as the Responsible Financial Officer providing advice on finance-related issues and governance and who is responsible for the administration of the Council's finances.

The Town Clerk is responsible for advising on the day-to-day compliance with laws and regulations that the Council is subject to and for managing risks. The Town Clerk also provides advice to ensure the Council's procedures, control systems and policies are adhered to.

Payments

All expenditure (the incurring of costs) must be authorised by the Council, or by a committee having delegated authority, or (in accordance with the Financial Regulations) by other delegated authority.

All payments from the Council's banks accounts are only to be made with dual authorisation, either by two signatures on cheques, or by dual authorisation of online payments.

All payments are reported to the Council. The RFO is responsible for checking the legality of each payment and that payments are within the powers of the Council prior to presentation to the Council.

Risk Assessments/Risk Management

The Council carries out regular risk assessments in respect of actions and regularly reviews its systems and controls. The insurance cover is regularly reviewed to ensure the correct level of cover has been provided.

Internal Auditor

The Council has appointed IAC Audit and Consultancy Ltd, as Independent Internal Auditor who reports to the Council on the adequacy of:

- records
- procedures
- systems of internal control
- regulations
- risk management
- governance processes

The effectiveness of internal audit is reviewed twice yearly by the Council and any observations made by the auditor, as to how systems may be improved, are implemented.

Professional Advice

Additionally, the Council seeks and receives appropriate property, legal, insurance, VAT, personnel/human resources and health & safety advice, as appropriate, to manage risk.

4. Review of Effectiveness

The Council has responsibility for conducting an annual review of the effectiveness of the system of internal control. The review of the effectiveness of the system of internal control is informed by:

- The work of officers reporting to the Council and its committees
- The Town Clerk/Responsible Finance Officer to the Council who is responsible for the development and maintenance of the internal control environment and managing risk.
- The Independent Internal Auditor who reviews the Council's system of internal control and reports to the Council, twice yearly.
- The Council's External Auditor who makes a final check using the Annual Return, a form completed and signed by the Responsible Financial Officer, the Chairman, the Town Clerk and the Internal Auditor. An Audit Certificate is issued.
- The number of significant issues that are raised during the year.

5. Significant Internal Control Issues
