

Planter Display & Hanging Basket Sponsorship Application Form

Seaton Town Council is inviting local groups and businesses to sponsor various planters displays located around the town. Sponsorship will run from 1st July to mid-October 2025. A sign detailing the organisation's name and website address will be displayed on each sponsored planter.

Hanging baskets are also available for sponsorship by individuals at £30 each. For practical reasons, a sign cannot be provided for these; however, sponsorship of these items will be acknowledged on the Council's website and social media subject to consent being provided for the Council to use their personal data in this way.

Full details of the planter displays and hanging baskets available, together with associated sponsorship fees, are attached to this form. It is anticipated that some will be more popular than others, so each item is allocated on a first-come, first-served basis.

Kindly note that if your business sponsored a planter last year then, providing the information remains unchanged, the sign will be re-used and the fee adjusted accordingly.

The closing date for sponsorship applications is Monday 16th June 2025. Please return completed forms to the Town Council Office or by email to admin@seaton.gov.uk. Confirmation of your choice of planter and/or hanging basket will be sent to you with an invoice in respect of the sponsorship fee.

**Thank you for your support in helping to ensure that Seaton
is its bright and colourful best for the summer season!**
